

EQUIPMENT SWAP MEET

Where: CSHRC Hunt Test Campgrounds

When: Saturday Morning (3/1) - Sunday Afternoon (3/2)

What: Hunt Test & Training Supplies

DISCLOSURE – There will be no host in the swap area, and everything is on the honor system. CSHRC leadership has no responsibility for transactions that take place.

We are excited to present our 2nd annual equipment swap. Anyone interested in sharing should bring usable training products to the designated swap area. Trainers who have been in the hobby for a long time generally have a sizable collection of very serviceable products. Items that are taking up garage space and could be used by new or novice trainers. Put what you can, take what you need.

Contributors should place their items in the designated swap area Saturday morning. As the events of Sunday conclude and as entrants wait for the news of their pass/fail, they can hangout, visit, or peruse the swap meet. ALL items not traded or sold MUST be picked up by the original owner by 3:30pm Sunday afternoon. Items not claimed will become property of CSHRC.

NOTE: Not all items will be free. Sellers can put a price on items and negotiate directly with interested buyers. No transactions where money is exchanged will be facilitated by CSHRC or represented by CSHRC. ALL sales will be handled between the seller and buyer.

This has become an annual part of the CSHRC event. Please keep this in mind for next year. Think about those that may need puppy pens, crates or gently used toys.

Suggested Items: Crates, test gear (camo clothes), ramps for older dogs to access vehicle, play pens, electronics and collars, cold water vests, skid plates, blinds, gear bags & more

Remember our hunt test is made possible because of our sponsors listed below.
