

Snake Avoidance / Training Day

Don't let this fellow ruin your dog's day!

Snake Avoidance Training at the 303 training location Saturday April 13, starting at 07:00am. The cost for CSHRC club members is \$70/dog and \$50 for repeat dogs. Please RSVP to Jaime Smith at labdogs.trainer@gmail.com to sign up for snake avoidance. Chukars can also be made available. Also, please let Jaime know if you'd like a couple. It is suggested you don't submit your pup to this until they are at least 11 months old.

We'll also combine it with a regular Training Day. You can come for either one or the other or both.

Let us know if your coming and what you're interested in.

See you there!

Mike Wilson

CSHRC President
